| <p><b>Content of the internship paper</b><br/>         (16 – 22 pages)</p> | <p><b>The internship paper is a scientific paper</b> and <u>not a report</u>, <u>not an essay</u>, <u>not a narrative review</u>!</p> <p>The paper is worked out during the internship and can be finalized during or after the internship. The internship paper is dedicated to a topic of the student's choice and is supervised by a professor of the faculty of Business Information Systems. The internship paper is not graded, but <u>valued with 3 ECTS credits</u>.</p> <p><b>The paper can be conducted in two alternative forms:</b></p> <ol style="list-style-type: none"> <li>Concept, proof of concept, test, research, analysis, evaluation, experiment or solution (based on <u>primary</u> data) developed to solve a given problem or address a specific demand which appeared during the internship.</li> <li>Structured literature review (based on <u>secondary</u> data) dedicated to a research question related to the topic and content of the internship. Template give in course "Scientific working &amp; Academic writing" (1<sup>st</sup> sem.).</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| <p><b>Content of the internship certificate of employment</b></p>          | <p><b>Request three (3) weeks before the internship ends an internship Certificate of employment</b> (in German: Praktikumszeugnis).</p> <p><b>At the end of the internship semester (not after your job</b> – e.g. BaFög), <b>the company (employer) shall issue a certificate of employment</b> – which is an <b>activity record</b> showing the type and content of the activity, the beginning and end of the internship period, and any absences.</p> <ul style="list-style-type: none"> <li>Based on the <u>internship report</u> <b>and</b> the proof of activity (<u>certificate of employment</u>), a decision is made (by the dean of studies) whether the student has successfully completed the practical part.</li> <li>If the practical part of the internship is not recognized as successfully completed, it may be repeated once.</li> <li>During an internship semester, the internship site (company) can only be changed in justified exceptional cases with the approval of the Faculty Examination Board.</li> </ul> <p>For a recognized internship semester the <b>student must provide evidence of at least 95 days of attendance</b> (full working days) in a company or in another institution of professional practice after deduction of any days of absence.</p> <p><b>The content of the internship certificate of employment</b> may be written in English or German and includes:</p> <ul style="list-style-type: none"> <li>Heading ("Internship certificate", "Praktikumszeugnis").</li> <li>Personal data of the student trainee including full name, date and place of birth, place and period of employment.</li> <li>Specification of the area in which the internship was completed.</li> <li>Description of the internship employer, for example on the basis of a job description and key economic data.</li> <li>Description of typical tasks during the internship, including mention of particularly important aspects.</li> <li>Evaluation of the student trainee's performance and assessment of his/her social behavior towards superiors, colleagues and customers.</li> <li>Closing formula with thanks and wishes for the future.</li> <li>Date, signature of the issuer.</li> </ul> |

**Important notes** referring to frequently asked questions (3<sup>rd</sup> part)

|                                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|---------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>How to select an appropriate internship</b>                            | The procurement of a place for the practical semester is the responsibility of each student in compliance with the essential requirements: <ul style="list-style-type: none"> <li>▪ 95 full working days at a company must be absolved</li> <li>▪ Content of internship must be related to IBS studies, this means related to business management, computer science or data science/AI.</li> </ul>                                                                                                                                                                                                                                                                  |
| <b>Tuition Fee</b> during the internship semester                         | The tuition fee of 1.500 Euro for Non-EU students is <b>not</b> charged;<br>No new courses and <b>no new exams</b> may be absolved during the internship.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| <b>Repetition of previous failed exams</b> during the internship semester | The repetition of up to <b>two (2)</b> examinations or study achievements is allowed. <ul style="list-style-type: none"> <li>▪ These must be <b>registered</b> at the latest one week before the start of the examination period.</li> <li>▪ Repetition of study achievements during the semester must be registered at <b>latest one week before</b> the date of examination.</li> </ul>                                                                                                                                                                                                                                                                           |
| <b>Internship semester</b> may be <b>brought forward</b>                  | The practical study semester can be brought forward, like other courses, after written approval by the dean of studies. However, it is highly recommended that the individual modules are completed in the scheduled sequence.                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| <b>In case of withdrawal, termination or illness</b>                      | In case of withdrawal, termination or illness, appropriate explanations and/or <b>evidence must be submitted</b> to the examination office in order <b>to avoid malus points</b> . The information must be submitted by email addressed to Mrs. Elke Kern <a href="mailto:Elke.Kern@hs-furtwangen.de">Elke.Kern@hs-furtwangen.de</a>                                                                                                                                                                                                                                                                                                                                |
| <b>Postponement</b> of the internship semester                            | The completion of the internship semester may be postponed to the <b>5<sup>th</sup> semester for special reasons</b> , such as study abroad or internship abroad. <ul style="list-style-type: none"> <li>• The postponement requires a <b>written approval</b> by the Dean of Studies.</li> <li>• A request for approval of a postponement must be submitted in reasoned, written form by email to the dean of studies by end of the third semester (preceding the internship semester).</li> <li>• All reasons and consequences with regard to the postponement of the internship semester, must be clarified and organized by the students themselves.</li> </ul> |
| <b>Prerequisites to start an internship</b>                               | A practical study semester in a semester higher than the 4 <sup>th</sup> semester can only be postponed and started, <b>if the basic studies (all modules of the first two semesters) have been successfully completed</b> . <ul style="list-style-type: none"> <li>▪ Students who have only one performance assessment (Studienleistung) left open from the basic studies may apply to the Dean of Studies for approval to conduct an internship.</li> <li>▪ The approval granted, if any, is subject to the decision on the exceeding of the deadline (§ 5 para. 3) by the head of the examination office.</li> </ul>                                             |
| <b>Working student job</b> acknowledged as an internship                  | <b>A working students job</b> may be more lucrative/profitable for students (ca. 1.400 Euro income/month) than an internship (ca. 850 Euro income/month). <ul style="list-style-type: none"> <li>▪ If a student conducts a working student job related in terms of content and tasks to the study program IBS, the student may apply to get the working student job acknowledged (credited) as an internship, if the employment exceeds more than 95 working days.</li> <li>▪ The burden of proof that an application meets the requirements for recognition lies with the applicant.</li> </ul>                                                                    |

**Checklist and procedure for students**

| Date                                                                                                 | Action required by student                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
